Services & Pricing

Based on our conversation, here's the plan we recommend for your business. All prices are in UGX and include 1 year of hosting + a free .com domain for year one.

Service	What you get	Price
Website Rescue Sprint	One perfect page — services, about, contact, Google Business setup. Live in 5 working days.	**UGX 350,000**
Starter Plan	1–5 page site, mobile responsive, WhatsApp button, basic SEO, 1 year hosting.	**UGX 450,000**

What we heard from you

Needs a patient-booking info page and Google Business verification so local patients can find the clinic. Budget-conscious, wants to start small.

Timeline & Process

01	**Discovery**	We confirm your content, logo, photos and services on WhatsApp.
02	**Design**	You pick from 2 design directions on day 1. That's your only job.
03	**Build**	We design, develop and test on real phones in Kampala.
04	**Launch**	Domain, hosting, Google Business setup — then handover call.

Estimated timeline	5–10 business days
Deposit & payment	50% to start, 50% on launch
Payment methods	MTN MoMo / Airtel Money to 256778030847
Quote validity	14 days

Next step: reply on WhatsApp with "I accept" and we'll send the deposit link and kickoff form. Questions? Message us anytime.
